Statement by the Executive Committee

We, Chew Swen Ling@ Shi Fa Qian and Tan Chai Lian, being two members of the executive

committee of Sagaramudra Buddhist Society (the "Society"), do hereby state that, in the opinion of the

executive committe,

(a) the accompanying financial statements are drawn up in accordance with the provisions of the

Societies Act, Chapter 311 (the "Societies Act"), the Charities Act, Chapter 37 and other

relevant regulations (the "Charities Act and Regulations") and Charities Accounting Standards

in Singapore ("CAS"), so as to present fairly, in all material respects, the state of affairs of

Society as at 31 December 2019 and the results, changes in funds and cash flows of the Society

for the year ended on that date; and

(b) at the date of this statement, there are reasonable grounds to believe that the Society will be

able to pay its debts as and when they fall due.

For and on behalf of the Executive Committee,

うないれ

Chew Swen Ling@ Shi Fa Qian President

Singapore 23 March 2020 Tan Chai Lian Treasurer

Independent Auditor's Report to the members of Sagaramudra Buddhist Society

(UEN: S88SS0090C)

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Sagaramudra Buddhist Society (the "Society"), which comprise the statement of financial position as at 31 December 2019, and the statement of financial activities, statement of changes in funds and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements are properly drawn up in accordance with the provisions of the Societies Act, Chapter 311 (the "Societies Act"), the Charities Act, Chapter 37 and other relevant regulations (the "Charities Act and Regulations") and Charities Accounting Standards in Singapore ("CAS") so as to present fairly, in all material respects, the state of affairs of the financial position of the Society as at 31 December 2019 and of the results, changes in fund and cash flows of the Society for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with Singapore Standards on Auditing (SSAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Society in accordance with the Accounting and Corporate Regulatory Authority (ACRA) Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities (ACRA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

Management is responsible for the other information. The other information comprises the information included in the Statement by the Executive Committee and the annual report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

Independent Auditor's Report to the members of Sagaramudra Buddhist Society – continued

(UEN: S88SS0090C)

Other Information (continued)

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of financial statements in accordance with the provisions of the Societies Act, the Chartities Act and Regulations and CAS, and for such internal control as management determines is necessary to enable the preparation of inancial statement that are free from material misstatement, whether due to faud or error.

In preparing the financial statements, the management is responsible for assessing the Society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Society or to cease operations, or has no realistic alternative but to do so.

The executive committee are responsible for overseeing the Society's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

20 Peck Seah Street #04-00 Singapore 079312

Independent Auditor's Report to the members of Sagaramudra Buddhist Society – continued

(UEN: S88SS0090C)

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of the Society's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Society to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the
 disclosures, and whether the financial statements represent the underlying transactions and events
 in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Independent Auditor's Report to the members of Sagaramudra Buddhist Society – continued

(UEN: S88SS0090C)

Report on Other Legal and Regulatory Requirements

In our opinion, the accounting and other records required be kept by the Society have been properly kept in accordance with the provisions of the Societies Regulations enacted under the Societies Act and the Charties Act and Regulations.

Notes to the Financial Statements - 31 December 2019

These notes are an integral part of and should be read in conjunction with the accompanying financial statements.

1. GENERAL INFORMATION

Sagaramudra Buddhist Society (the "Society") was registered under the Societies Act, Chapter 311 on 18 January 1988. The Society was registered as charity under the Charities Act, Chapter 37 on 22 February 1991.

The Society's registered office and principal place of business are located at 5 Lorong 29 Geylang, Singapore 388060.

The principal activities of the Society are to propagate Buddhist faith by studying the teachings of Buddha.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of preparation

The financial statements have been prepared in accordance with Charities Accounting Standards ("CAS") and disclosure requirements of the Societies Act, Chapter 311 and the Charities Act, Chapter 37.

The financial statements have been prepared on the historical cost basis except as disclosed in the accounting policies below.

The financial statements are presented in Singapore Dollar (SGD or \$) and all values are rounded to the nearest one-dollar unless otherwise stated.

(b) Functional currency

The committee has determined the currency of the primary economic environment in which the Society operates i.e. functional currency, to be SGD.

(c) Property, plant and equipment

All items of property, plant and equipment are initially recorded at cost and subsequently carried at cost less accumulated depreciation. The cost of an item of property, plant and equipment is recognised as an asset only when it is probable that future economic benefits associated with the item will flow to the Society and the cost of the item can be measured reliably.

The cost of an item of property, plant and equipment initially recognised includes its purchase price and any costs that are directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management. The costs of day-to-day servicing of an item of property, plant and equipment as expenditure in the statement of financial activities in the period in which the costs are incurred.

(UEN: S88SS0090C)

Notes to the Financial Statements - 31 December 2019

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(c) Property, plant and equipment (continued)

Freehold land has an unlimited useful life and therefore is not depreciated. Depreciation is computed on a straight-line basis over the estimated useful lives of the assets as follows:

Buddha statues	-	30 years
Freehold buildings		50 years
Furniture and fittings	-	5 years
Motor vehicles	-	5 years
Office equipment	_	5 years
Renovation	_	5 years

Fully depreciated assets are retained in the financial statements until they are no longer in use.

Assets under construction included in property, plant and equipment are not depreciated as these assets are not yet available for use.

The residual value, useful life and depreciation method are reviewed at each financial yearend, and adjusted prospectively, if appropriate.

Property, plant and equipment shall not be revalued and are not required to be assessed for impairment under the Charities Accounting Standards.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset shall be accounted for in net income or expenditure in the statement of financial activities in the period in which the disposal occurs as the difference between the net sale proceeds and the net carrying amount of the asset.

(d) Financial assets

Receivables excluding prepayments, are initially recognised at their transactions price, excluding transaction costs, if any, which shall be recognised as expenditure in the statement of financial activities. Prepayments are initially recognised at the amount paid in advance for the economic resources expected to be received in the future.

Subsequent to initial measurement, the Society shall measure the financial asset at cost less any accumulated impairment losses.

A financial asset is derecognised when the contractual right to receive cash flows from the asset has expired.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(d) Financial assets (continued)

The Society assesses at each reporting date whether there is any objective evidence that a financial asset is impaired. If there is objective evidence that an impairment loss on a financial asset has been incurred (such as significant financial difficulty of the issuer or obligor, probable that the debtor will enter bankruptcy or other financial reorganisation), the impairment loss is recognised immediately in the statement of financial activities.

Subsequently, the amount of an impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised (such as an improvement in the debtor's financial condition), the Society shall reverse the previously recognised impairment loss. The reversal shall not result in a carrying amount of the financial asset (net of any allowance account) that exceeds what the carrying amount would have been had the impairment not previously been recognised. The Society shall recognise the amount of the reversal in the statement of financial activities immediately.

(e) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and at bank, demand deposits which are subject to an insignificant risk of change in value.

(f) Financial liabilities

Financial liabilities are recognised when, the Society becomes a party to the contractual agreements of the financial instrument and are classified according to the substance of the contractual arrangements entered into. All interest related charges are recognised in the statement of financial activities. Financial liability includes "Other payables".

Financial liabilities are derecognsed when the obligations under the liability are discharged, cancelled or expired. When existing financial liabilities are replaced by another from the same lender on substantially different terms of an existing liability or are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability, and the difference in respective carrying amounts is recognised in the statement of financial activities.

(g) Other payables

Other payables, excluding accruals, are recognised at their transaction price, excluding transcation costs, if any, both at initial recognition and at subsequent measurement. Transaction costs are recognised as expenditure in the statement of financial activities as incurred.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(h) Provisions

Provisions are recognised when the Society has a present obligation (legal or constructive) as a result of a past event, and when it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the amount of the obligation can be estimated reliably.

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provision is reversed. Any adjustments to the amounts previously recognized shall be recognized as expenditure in the Statement of Finanical Activities unless the provision was originally recognised as part of the cost of an asset.

(i) Funds

Restricted fund balances are balances restricted by outside sources which are distinguished from unrestricted funds allocated to specific purpose, if any, by action of the management. Externally restricted funds may only be utilised in accordance with the purposes established by the source of such funds or through the terms of an appeal and are in contrast with unrestricted funds over which management retains full control of use in achieving any of its institutional purposes. An expense resulting from operating activities of a fund that is directly attributable to the fund is charged to that fund.

(j) Operating leases as lessee

Operating lease payments are recognised as an expense in the statement of financial activities on a straight-line basis over the lease term. The aggregate benefit of incentives provided by the lessor is recognised as a reduction of rental expense over the lease term on a straight-line basis.

(k) Income recognition

Income comprises the fair value of the consideration received or receivable in the ordinary course of the Society's activities. The following specific recognition criteria must be met before income is recognised:

(i) Donations

Donations are recognised when received. Donations-in-kinds are recognised when the fair value of the assets received can be reasonably ascertained. Donation is only deferred for recognition when the donors has imposed certain conditions that must be met before the Society has unconditional entitlement or the donor specifics that the donations can only be used in future accounting periods.

(ii) Course fee

Course fee income are recognised on accrual basis.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(k) Income recognition (continued)

(iii) Membership subscription and entrance fee

Membership subscription and entrance fee are recognised on cash basis.

(iv) Interest income

Interest income is recognised on a time-proportion basis using the effective interest method.

(v) Service income

Service income is recognised upon performance of services.

(vi) Other income

Other income are recognised when received.

(1) Grants

Government grant shall be recognised as income in the financial statement over the periods necessary to match them with the related costs for which the grants are intended to compensate on a systematic basis.

(m) Expenditure

All expenditure is accounted for on accrual basis, aggregated under the respective areas. Direct costs are attributed to the activity where possible.

(i) Cost of charitable activities

Cost of charitable activities comprises all directly attributable costs incurred in the pursuit of the charitable objects of the Society.

(ii) Governance and administrative costs

Governance costs include the cost of governance arrangement, which related to the general running of the Society, providing governance infrastructure and ensuring public accountability. These costs include costs related to constitutional and statutory requirements.

(UEN: S88SS0090C)

Notes to the Financial Statements - 31 December 2019

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(n) Income Taxes

The Society is a charity registered under the Charities Act since 22 February 1991. Consequently, the income of the Society is exempted from tax under the provisions of Section 13 of the Icnome Tax Act Chapter 134.

(o) Employee benefits

Defined contribution plans

Defined contribution plans are post-employment benefit plans under which the Society pays fixed contributions into a separate entity such as the Central Provident Fund ("CPF"), on a mandatory contribution or voluntary basis. The Society has no further payment obligations once the contributions have been paid.

These contributions are recognised as an expense in the period in which the related service is performed.

(p) Related parties

Person are considered to be related if the person has the ability to control or exercise influence over the entity in making financial and operating decisions. The entity is considered related if the both entities are governed by common management committee members who has control in marking financial and operating decisions.

3. SIGNIFICANT ACCOUNTING JUDGEMENTS AND ESTIMATES

The preparation of the Society's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of the revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities at the end of reporting period. Uncertainty about these assumptions and estimates could result in outcomes that could require a material adjustment to the carrying amount of the asset or liability affected in the future periods.

(i) Judgement made in applying accounting policies

There were no material judgements made by management in the process of applying the Society's accounting policies that have the most significant effect on the amounts recognised in the financial statements.

(ii) Key sources of estimation uncertainty

The key assumptions concerning the future and other key sources of estimation uncertainty at the end of each reporting period are discussed below. The Society based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond the control of the Society. Such changes are reflected in the assumptions when they occur.

Useful lives of property, plant and equipment

Management estimates the useful lives of these property, plant and equipment to be within 5 to 50 years. These are common life expectancies applied in the industry. Changes in the expected level of usage and technological developments could impact the economic useful lives of these assets, therefore, future depreciation charges could be revised. The carrying amount of the property, plant and equipment at the end of each reporting period is disclosed in Note 4 to the financial statements. The carrying amount of the Society's property, plant and equipment as at 31 December 2019 was \$11,317,586 (2018: \$11,420,602).
